

ESCADA

PRE-FALL 2020

TRADITION REVAMP

The new Pre-Fall 2020 collection honors the brand's legacy by merging the past with the present, creating an undeniably modern approach to women's wardrobe. Signature elements that define ESCADA have been embraced, reinterpreted and fine-tuned, creating a collection that aligns innovation with tradition. Houndstooth is modernized, pinstripes are feminized, prints are clashed and silhouettes are redefined. Cashmere is double-faced, cuffs are amplified, stitching is contrasted and colors are intensified. These are pieces that encourage women to make their mark.
