EASY AND EFFORTLESS

Iconic artist Frida Kahlo once said, "Nothing is worth more than laughter. It is strength to laugh and to abandon oneself, to be light." Living a light-hearted and open-minded life should not just be a vacation feeling, but a daily attitude in the journey of life. And this is what inspired our ESCADA Sport Pre-Fall 2020 collection. This joy, this lightness of being, can be felt in every piece of the collection: from our light-as-air tulle, to the sumptuous silks sliding between one's fingertips to the rainbow of vivacious shades and expressive prints. We aspire to provide women with an effortless wardrobe, giving them the strength and the confidence to fully live and absorb all the daily adventures that cross their way.

Life is a journey. Are you ready to be part of it?

We are looking forward to
welcoming you in store!

Your ESCADA Team.
